Canada's Provinces & Territories Map Activity

A printable blank map activity with a labelling challenge — fun geography practice for home.

This activity uses a simplified grid map (not to geographic scale) so the regions are easy to number and label. Territories are shown along the top, provinces along the bottom, arranged roughly west (left) to east (right).

1			2			3			
4	5	6	7	8	9	10	11	12	13

Your Challenge

Match each number on the map to its name from the word bank below, and write the correct name on the line.

Word Bank: Alberta • British Columbia • Manitoba • New Brunswick • Newfoundland & Labrador • Northwest Territories • Nova Scotia • Nunavut • Ontario • Prince Edward Island • Quebec • Saskatchewan • Yukon

1. _____
